

*Thierry Barbieux, 61 years old, living in Tournai, Belgium*

Born in 1955 in Tournai, second of a family of 7 children.

Married in 1975 to Therese Ladavid, father of Severine and Caroline and Grand father of Louise (5Y), Alex (4y), Clementine (4y) and Arthur (3y).

I have worked in the familial Funerals business for 17 years and then as removal man for 10 years.

I had a first heart attack in 2006 and was diagnosed Myeloma in August 2007.

I have contributed to the non-profit organization MyMu (French speaking Myeloma patients in Belgium) and became President 9 years ago.
